Office Memorandum • UNITED STATES GOVERNMENT~~CONFIDENTIAL~~

TO : Chief, Economic Research
THRU : Chief, Industrial Division, ORR
FROM : Chief, Transport and Heavy Machinery Branch, ORR

DATE: 24 June 1957

SUBJECT: Transmittal of completed Project No. 32.1112, Diesel Engine
Position of the Soviet Bloc.

The attached survey of the diesel engine producing industries of the Sino-Soviet Bloc has been prepared in response to a request from S/TD (formerly D/E) dated 16 May 1956, Subject: Request for Information on Diesel Engine Position of the Soviet Bloc. Because the paper is not intended for publication, it is lacking in many of the refinements of an ORR report. However it contains the best and most recent information available on the subject.
